

Before Booking

PLEASE READ THE FOLLOWING INFORMATION
CAREFULLY AND IN ITS ENTIRETY

ARE YOU A CANDIDATE? Are you a candidate?

FOR PERMANENT MAKEUP (If any apply to you, please don't book an appointment.)

- Age Requirements: 18-65 years old
- Must not be sick or tested positive for Coronavirus
- Must not be pregnant, IVF, or breastfeeding
- Must not have experienced post-inflammatory Hyperpigmentation
- Must not have active Cancer, undergoing chemotherapy or radiotherapy
- Must not have a history of keloids or hypertrophic scarring
- Must not have any active skin conditions near the treatment area (ex. eczema, psoriasis, acne, rashes, etc.)
- Must not experience epilepsy or seizures, hemophilia
- Must not be taking blood thinners or on Accutane or Doxycycline within the past year
- Must not have transmittable blood conditions, shingles, lupus
- Must not have undergone an organ transplant
- Must not have allergies to topical anesthetics, make-up, pigments
- Must not have poor reactions to tattoos
- Must not have poor general health/immune system
- Must not have mitral valve disorder, pacemaker, uncontrolled diabetes, uncontrolled high blood pressure, or major heart diseases
- Must not have any viral infections/diseases, autoimmune diseases, thyroid diseases, healing disorders
- Must not have any issues bleeding or healing or taking medications that affect bleeding or healing

Any treatment, medication, or illness that compromises the immune system/healing would make you NOT a good candidate for micropigmentation procedures. If you are unsure, please consult with your doctor if it is safe for you to proceed with micropigmentation procedures.

Have you had a previous eyebrow tattoo?

If yes, we require a review to determine what will be needed to correct or neutralize your existing eyebrow tattoo. Some eyebrow tattoos are easily corrected and some are not so if neutralization is required there will be additional fees. If you do not inform us of previous brow work and arrive for your appointment, we may not proceed resulting in your lost booking fee.
